Town of Elk Mountain Trash Trailer & Dumpster Information

- Paint can be placed in the dumpsters once it has dried out
- Televisions are no longer recycled and can go in the dumpster unless too large then put the on the trailer
- E-Waste can be placed on the trailer (computers, microwaves, printers, etc)
- Refrigerators, Freezers, Washers, Dryers, Dishwashers etc. can be placed on the trailer(there is a ramp)
- Furniture and other large items can be placed on the trailer
- Please no chemical waste (acids, paint thinners etc. on the trailer. Contact Public Works for disposal instructions
- NO GRASS CLIPPINGS or BRANCHES in the dumpsters. Please take these to the burn pile at the fire station
- All metal goes to the AAA recycling bin out by the WyDot shop (green bin on North West side)
- Used oil can be dropped off at the Public Works building on Veterans
- Please bag your household trash! Do not throw municipal trash in loose

THANK YOU FOR YOUR HELP!
